Brookhaven unveils city signs

Brookhaven, GA Nov. 12, 2013 – Brookhaven will mark another first in the city’s history with the installation of city limit signs.

Brookhaven Mayor J. Max Davis unveiled “Brookhaven city limit” and “Welcome to Brookhaven” signs at tonight’s city council meeting.

“We want residents and visitors to know when they are in Brookhaven,” Davis said. “We want everyone to feel welcome and be encouraged to enjoy the beauty that Brookhaven has to offer.”

The city’s public works department will install about two dozen signs along all major roadways starting later this month.

The signs feature the city’s logo, which was unveiled in August. The signs, like the logo, were designed by Accent Creative Group.
