

**FOR IMMEDIATE RELEASE**

## **City seeks volunteers for inaugural stream cleanup May 2**

**Brookhaven, GA, April 21, 2015** – The City of Brookhaven is seeking volunteer assistance when it hosts its Inaugural Stream Cleanup on Saturday, May 2, from 10 a.m. to noon at the tributary of West Nancy Creek on the south part of Murphey Candler Lake.

The event is being held in recognition of Water Appreciation Day, a full-day celebration of water cleanups around the metro Atlanta area.

When arriving to the cleanup site, volunteers should wear sturdy, closed-toe shoes and long pants, and sunscreen is recommended. If possible, bring any tools that would be helpful in collecting trash. The city will provide everything else needed for the cleanup, including bags, light gardening gloves and bottled water as well as waiver forms.

Volunteers should arrive between 9:45 and 10 a.m. at the gravel parking lot just east of the Murphey Candler Football Fields. Looked for marked City of Brookhaven trucks.

Participants will be presented with certificates. For questions and to RSVP, e-mail [stormwater@brookhavenga.gov](mailto:stormwater@brookhavenga.gov).
