

## Floodplain No-Rise Certification

This is to certify that I am a duly qualified registered professional engineer licensed to practice in the State of \_\_\_\_\_ .

It is further to certify that the attached technical data support the fact that proposed \_\_\_\_\_ (*name of development*) will not impact the 100-year flood elevation, floodway elevations, or floodplain capacity or width on \_\_\_\_\_ (*name of stream*) at published sections in the Flood Insurance Study for \_\_\_\_\_ (*name of community*) dated \_\_\_\_\_ (*study date*) and will not impact the 100-year flood elevations, floodway elevations, or floodway capacity and width at unpublished cross sections in the vicinity of the proposed development.

Attached are the following documents that support my findings:
