### Notable Budget Items:

The 2016 budget includes an increase to Repair and Maintenance of approximately \$90,000. In 2015 and prior, vehicle repairs were "net" of any insurance claims or reimbursement. The reimbursements are now recognized as revenues while the entire expense is recorded as repair and maintenance.

## Public Works

### Notable Budget Items:

For 2016, the Public Works budget reflects the reduction of personnel cost (\$392,000) for 2015 positions that were not filled. Also, non-HOST qualified repairs and maintenance remained at 2015 budget levels. This includes \$15,000 for storm damage removal, \$115,000 for traffic signals, and \$40,000 for right-of-way maintenance.

## Non-Department

### Notable Budget Items:

The 2015 budget reflected (1) the budget contingency of \$250,000 and (2) a transfer to debt service for capital lease principal and interest on police car acquisition (\$1.7 million). For 2016, the transfer to debt service for debt related to the Police Department is in the Police Department budget (i.e. acquisition of fifty-seven cars in 2013, Motorola radios, and acquisition of three (3) cars in 2015). The transfer to E911 is to supplement E911 operations above the E911 revenues (excise taxes on wired and wireless communications).

## Enhanced 911 Special Revenue Fund

### Notable Budget Items:

The revenues, which are derived from imposition of an excise tax of 1.5% on wired and wireless communications, are not sufficient to cover the cost of emergency communications in 2016. E911 fees for 2016 are projected at \$720,000, while to cost to provide emergency communication services via intergovernmental agreement are \$1,025,000. As a result, the General Fund will have to supplement (transfer in) \$305,500 to support operations in 2016.

## Special Tax District #1

### Notable Budget Items:

The 2016 budget reflects the continued imposition of property taxes on the properties in the special tax district. The 2015 millage rate is 1.50 mills, which was attempting to match start-up cost with revenues. With a full allotment of officers (equivalent of five officer man-hours) and operating costs, the millage rate is proposed to be 6.45. This is the same as that projected during start-up of the district.

Operating costs are for the police officers salaries and benefits, overhead and allocation of indirect cost. The officers were equipped (i.e. uniforms, equipment, and vehicles) in 2015.

## Hotel Motel Special Revenue Fund

### Notable Budget Items:

The Hotel Motel taxes for 2016 are expected to approximate the \$1.8 million budgeted. A hotel is part of the City's most recent annexation, and the City expects to receive these taxes in 2016.

At the City's current 5% hotel motel tax rate, 60% of the revenues, \$1.08 million are to be transferred to the General Fund (unrestricted). The 40% balance, \$720,000 has to be expended to promote tourism (hotel motel usage) in Brookhaven. The City is establishing its own convention and visitors bureau (CVB) and preparing to contract with Discover DeKalb (a tax-exempt agency) to promote Brookhaven and its various events. This 40% is restricted to these purposes.

## HOST Special Revenue Fund

### Notable Budget Items:

Due to changes in the cost of service provided to unincorporated residents (increase), the applicable County millage rate for services provided to incorporated residents "increased". Thus, the difference between County rates for unincorporated residents and city residents (i.e. City of Brookhaven) "decreased". The resulting "decrease" decreases the HOST allocation to the City.

The funding is projected to be \$4.8 million. The funding is allocated to (1) small equipment (\$145,000) and equipped vehicles (SUV and Van; \$105,000) for the police department; (2) \$2.6 million for parks including master plan projects at each City park and (3) \$2.0 million for various sidewalk and road improvements.

## Stormwater Utility Fund

### Notable Budget Items:

Stormwater revenues reflect the most recent billing by DeKalb County. The City continues to "add" stormwater parcels and is evaluating commercial properties in the City and recently annexed areas.

Staffing (contracting) is part of the proposed budget and continued development of a municipal stormwater program of maintenance, repair, and improvements. The City is evaluating the potential acquisition of properties to regulate stormwater, runoff, and stream buffers.
