A consumption licensee may sell, serve, or otherwise dispense alcoholic beverages in a patio/open area type environment if approved by the city manager or designee to do so. To be considered for approval the patio/open area shall be directly adjacent and contiguous to the licensed premises and must meet the following requirements:

- A. Has the same address of the licensed premises;
- B. Is owned, leased or managed and exclusively controlled by the retail consumption dealer;
- C. Is not public domain nor is the area only nominally under the exclusive control of the retail consumption dealer;
- D. Is served from the same bar or serving location that permanently services the licensed premises;
- E. Partially enclosed by some structure providing for public ingress/egress through the licensed premises main structure and/or one other opening in the enclosure structure. Where the patio/open area directly exits to a public area, the licensee shall post a sign on the inside of such structure in the following form: "No Alcoholic Beverages beyond this point." Such sign shall be in uniform letters not less than one inch in height.
- F. The only additional exit(s) from the patio/open area, not included in subsection (E), are to be through an approved fire exit, not for general public use unless an emergency exists. The fire exit shall sound an alarm when used.

Nothing Contained in this section shall prohibit a hotel or motel with a consumption on the premises license from making sales and allowing consumption of alcoholic beverages in ballrooms, meeting rooms, reception rooms, or patio areas.

I certify that this application complies with all requirements listed above. I am aware that failure to comply with said requirements would result in revocation of the Patio Permit and/or legal action by the City of Brookhaven.
