

FOR IMMEDIATE RELEASE

Volunteers needed for City's 2nd annual Storm Drain Marker Program

Brookhaven, GA, Oct. 13, 2016 – Brookhaven's Stormwater Division is planning its second annual Storm Drain Marker Program in the City of Brookhaven and could use your help. This event will occur on Saturday, Oct. 29, from 10 am to noon. Participants will meet at Brookhaven City Hall at 9:45 a.m. to receive instructions and materials. This community service project is:

- Appropriate for all ages and group sizes
- Flexible enough to fit into your busy schedule
- Requires minimal time
- Easy to do
- Fun and interesting

As volunteers, your group will simply glue plastic discs to storm drains reminding residents "Only Rain Down The Storm Drain." You will be provided everything you need for this program. It will be a fun and instructive event and will benefit the City of Brookhaven by protecting and preserving our beautiful and unique water resources.

Please let us know if you can participate by emailing a note to stormwater@brookhaviga.gov.
