

Part-Time Seasonal Pool Lifeguards

The city of Brookhaven is seeking qualified candidates for thirty (30) part-time lifeguard positions with the Parks and Recreation Department. The city pools open on Saturday, May 27, 2017, and close on Labor Day, Sept. 4, 2017. The successful candidate must possess basic skills in aquatic facility management, customer service, programming, marketing and communication while effectively ensuring the safety of all city pool patrons. Each employee will work up to 30 hours per week and the pools are open 11 a.m.- 9 p.m., Sunday-Saturday. The hourly rate is \$9 to \$10 per hour based on experience and certifications. A seasonal performance bonus of up to \$1.00 per hour worked will be provided at the end of the season if certain standards are met.

Candidates must have a valid and current Lifeguard Training Certification by the start of the season. A water safety instructor certification is preferred. He/she must be able to demonstrate proficiency in swimming abilities and the ability to handle rescue activities while in the water. The nature of the job demands that the employee be able to identify problems either visually or by auditory means in order to be alert to life saving needs.

The City of Brookhaven is an Equal Opportunity Employer.
