

Comprehensive Plan 2034

Make no little plans; they have no magic to stir men's blood and probably will themselves not be realized. Make big plans; aim high in hope and work, remembering that a noble, logical diagram once recorded will not die. – Daniel H. Burnham

STEERING COMMITTEE HOMEWORK ASSIGNMENT FOR MAY 6 MEETING

What's the Overarching Vision for our City's Future?

What should be the defining characteristics of Brookhaven in the long term? What will people say about Brookhaven 20 years from now? What will set the City apart in the metro Atlanta area and make it a unique place? *Please jot down overarching characteristics and development patterns that you believe should be a part of the general, long-term vision statement for the Comprehensive Plan.*

A Balanced Future

What are the unique places of Brookhaven that should be preserved or changed in the long term? Where should we grow our mix of uses, seek redevelopment, or preserve what's here currently? *Please spend some time using your plan area map to make note of these locations and jot down key location assets, areas for preservation, or areas that should change and what that change may look like.*
