Our Lady of the Assumption Catholic Church

1 LETTER OF INTENT

Our Lady of the Assumption Catholic Church and School is located on an existing campus at 1320 Hearst Drive in Brookhaven, GA. The current campus includes four main structures: a Sanctuary, Rectory, Main School (K-8), and a Pre-school Building. The proposed project is to include the following:

- Expansion to the existing Main School (K-8) Building which will increase classrooms to accommodate 50 additional students.
- The construction of a New Rectory (residence) for the Priest.
- The former Rectory building will be used for Church offices from the existing Church on campus.

The proposed changes will be land uses already existing onsite, no new land uses are proposed. The Special Land Use Permit includes an increase in students for both the Main School (K-8) by +50 and the Pre-school by +28. The school first opened its doors in this Brookhaven location in 1952 and has experienced a one-hundred percent increase in applications to the school in the past five years. The school is founded on the principle of service to others, and last year alone its students participated in service projects benefitting over 24 local, state, and world-wide organizations. This project will replace some aging facilities and increase the ability of the school to serve the surrounding neighborhood and community, while also meeting the goals of the Brookhaven Comprehensive Plan.
