Questions Addendum II

Issued October 28, 2014

1. **What are the details of your phone system?**
The city is using a CudaTel 470b, with PRI from the provider and SIP to the handsets. The handsets are Polycom.
2. **Is all current equipment covered under a maintenance agreement?**
Yes, software and hardware have support contracts, switches have a lifetime warranty.
3. **On the web site piece, do you need someone to maintain what is already in place or redesign the current web site?**
Maintain what is currently in place. Redesign being contemplated.
4. **Are you under contract with a web site vendor currently?**
The contract is year-to-year and includes a redesign after 4 years.
